## New era as Psl launch DSTV Premiership

The Premier Soccer League is proud to announce that MultiChoice's DStv brand, has signed a five-year deal to become the new title sponsor of the premier division. This is a continuation of a vibrant and fruitful partnership between the PSL and the MultiChoice. The PSL has transformed into a top 10 league globally after the 2007 broadcast rights' deal, growing the best local players and attracting star from continent and beyond African shores. Over the years the PSL has created stars on the field of play that have brought joy to millions of South Africans, so too has DStv, creating platforms for stars to flourish and entertain.

Football and entertainment are entrenched in the South African experience. Added to this has been the MultiChoice Diski Challenge reserve league, from which players such as Percy Tau and Lyle Foster have gone on to excel internationally. For PSL Chairman Dr Irvin Khoza, the establishment of the DStv Premiership is a natural evolution to the relationship and will be a powerful synergy, in what it brings for the football supporters. The DStv Premiership marks an elevation of South Africa's Premier Soccer League bringing together the best of sport and entertainment.
